TO OUR CUSTOMERS:

We deeply appreciate the business you have sent us.

Growing conditions have been very satisfactory here at Lake City this season. So our offerings will be in good grades and sizes and plants generally well filled out.

In some of the better ornamental shrubs, in the larger sizes of shade trees, and in the larger sizes of balled and burlapped landscape evergreens, the supply is rather limited. So be sure and write us about your needs as soon as they are known.

Demand for nursery stock of quality remains firm and we look forward to a Fall '50—Spring '51 season that will prove satisfactory to our customers and to us.

Cordially yours,

JEWELL NURSERIES, Inc.
